

REQUEST FOR AEGROTAT STANDING

Aegrotat (AEG) allows a student credit for a course even though the course requirements have not been completed due to medical, emotional or other difficulties. This standing is awarded only if the course instructor and the dean agree that the student has demonstrated the capacity to deal with the course material satisfactorily. When AEG standing is awarded, *a letter grade is assigned*. This will be converted to the minimum percentage for that category for the calculation of averages.
