

## Course Description Form

Course number and section: FREN 103 (all sections)

Course Topic: Upper Elementary French I

Credits: 3

Term: I

Instructors: Gordon, Langevin, Legault, Tolman

Course Description (aim for no more than 80 – 100 words for your course description):

Want to travel to France, Québec, or other francophone regions after Covid-19? We are excited to be offering this 13-week French course which prepares you to understand and use familiar everyday expressions and to function in basic situations such as communicating personal details and responding in simple social settings in French. This course is for very beginners and corresponds to level A2 of the Common European Framework of Reference for Languages (CEFR). Join us for some good French cultural fun! À bientôt.

Tentative Reading List: (Be as concise as possible with your reading list, but please also specify the genre of each required text. See sample below)

- *Entre nous 3, Maison des langues (Oxford Publishing). This is a bundle : Students Manual & Activity Book (which includes a 12 months Premium online access to Espace virtuel)*
