Course Description Form

Course number and section: VISA 233
Course Topic: Printmaking: Screen Printing I
Credits: 3

Term: 1

Instructor: Briar Craig

Course Description (aim for no more than 80 – 100 words for your course description):

This introductory course in screen printing will teach students the fundamental skills necessary to make hand-made, drawing-based screen prints. The UBCO printmaking area teaches students the fundamentals of screen printing but also makes use of sophisticated ultra-violet-based screen printing inks, materials and processes that aren't typically taught in most post-secondary institutions.

Tentative Reading List:

MacDougall, Andy, *Screen Printing Today,* 2008 (ISBN 10: 0-944094-61-9)

Print Club London, *Screen-Printing: The Ultimate Studio Guide*, 2017 (ISBN 9781616896553)

Coldwell, Paul, *Printmaking: A Contemporary Perspective*, 2010 (ISBN 978 1 90615543 8)
