Please indicate which session you would like to be considered for the Graduate Dean's Thesis Fellowship (choose one option only):

April 15 deadline (Summer T1 – WT1)

December 15 deadline (WT2 – Summer T1)

Please note, there are TWO deadlines annually. Apply for April 15 if you are planning to complete between May and December. Apply for December 15 if you are planning to complete between January and June.

As of the start date of the session I am applying for funding, I will have completed _____ months of Doctoral study (total at UBC and other institutions) or _____ months of Master's study (total at UBC and other institutions).

Responses below can be included in the form or submitted as an accompanying document.

Please provide a summary (max 300 words) of the thesis or dissertation research you will be completing during the session for which you are requesting funding. Describe the contributions to knowledge and practice that your research will make by placing the work in scholarly context and by highlighting its potential impact in the field.

Describe the nature of the research product that you will produce. Please articulate the number of chapters that have been written (if any) or artworks produced and include a detailed writing or production plan for the remaining chapters/pieces (max 300 words).

Please attach a screenshot or equivalent of your transcript showing your grades in the program.
